OBJECTS OF THE INSTITUTION.

THIS Hospital has been established for the reception of Children suffering from Chronic and Incurable Disease, who are on that account excluded or discharged from General Hospitals. Although many of these patients are beyond hope of ultimate recovery, it is found that medical skill and careful nursing, together with good food and ventilation, such as cannot be obtained in the homes of the poor, will always greatly alleviate suffering; while some cases can be successfully treated, which, requiring for their cure a longer time than can be spared to them in General Hospitals, receive here continuous care for an indefinite period.

NOTE.

The Committee of the Cheyne Hospital desire to state that, owing to the special character of this Institution, it is not found possible to give "Letters of Recommendation" to those who kindly contribute to their Funds. Such Letters are practically futile, unless they carry a reasonable probability of early admission or relief: indeed they are worse than useless, because they would appear to give a promise which could not be fulfilled, and would thus lead to disappointment and misunderstanding. As the main object of the Cheyne Hospital is to undertake the continuous care and treatment of cases of deep-seated or incurable disease, which no General Hospital will accept, and to keep them for an indefinite period, it will be obvious that changes are very slow and vacancies few and far between. The *average* length of Patients' stay in the Hospital is now over two years; while many of the children remain for much longer periods, as will be seen from the Medical Report, the figures in which speak for themselves as to the rate of progress of the Hospital work. Subscribers are invited to write in reference to any case in which they may be interested to the Secretary, who will at once, should it appear *prima facie* eligible, forward a copy of Form of Medical Certificate, on return of which duly filled in, the Child's name will be added to the list for examination and admission as vacancies arise, and in accordance with the privileges of Donors and Subscribers, (p. 4). More than this cannot in honesty be promised, and the Committee feel it due to their many and generous friends to make their position in this matter clear.

PRIVILEGES OF DONORS AND SUBSCRIBERS.

1.—Donors of not less than Fifty Guineas (£52 10s.) in one sum, and Annual Subscribers of Ten Guineas (£10 10s.) and upwards (during the continuance of such subscription) are thereby constituted Governors, and are entitled to attend and vote at the Annual Meeting of the Committee of Management, and to nominate one suitable case for admission annually, such cases having precedence on the list over those recommended by other Subscribers.

2.—All Annual Subscribers of One Guinea and upwards are entitled to recommend one suitable case annually, during the continuance of such subscription; such cases taking precedence on the Admission List over those not so recommended.

EXECUTORS.

One of the Executors of every person from whose estate a Legacy of Fifty Guineas or upwards shall have been received by the Hospital, shall be entitled to the same privileges as a Donor of Fifty Guineas.

LIFE COT ENDOWMENTS.

1.—A Donation in one sum of Three Hundred Pounds (£300) endows a Free Cot for the period of the life of the Donor, who is entitled to name it and to nominate eligible patients thereto as vacancies shall arise therein.

2.—A Donation in one sum of Two Hundred and Fifty Pounds (£250) endows a Half-Payment Cot for the period of the life of the Donor, who is entitled to name it and to nominate eligible patients thereto as vacancies shall arise therein.

Life Cot Endowments, ceasing upon the death of the Donor, may be converted into Permanent Cot Endowments by the payment within twelve months of the death of the Donor either by Bequest or otherwise, of the further sum of Seven Hundred Pounds in the case of a Free Life Cot Endowment, or of Five Hundred Pounds in the case of a Half-Payment Life Cot Endowment, free of Legacy Duty.

COT SUBSCRIBERS.

1.—An Annual Cot Subscription of Forty Pounds (or a Donation in one sum of One Thousand Pounds), entitles the Subscriber to name a Free Cot, and to nominate an eligible Patient as often as the Cot becomes vacant: no further payment being required on behalf of the occupant.

2.—An Annual Cot Subscription of Thirty Pounds (or a Donation in one sum of Seven Hundred and Fifty Pounds), entitles the Subscriber to name a Half-Payment Cot, and to nominate an eligible Patient as often as the Cot becomes vacant; the weekly payment of two shillings being required from the parents or friends of the occupant.

RULES FOR THE ADMISSION OF PATIENTS.

THE Hospital is devoted to the Treatment of the Children of the deserving Poor, suffering from Disease which is incurable or which requires for its permanent relief or cure a longer time than can be spared to such cases in General Hospitals.

1.—Such cases only are eligible for admission as have been rejected or discharged from a General Hospital, or can be shown to be unfit for treatment in such Hospitals.

2.—Cases of Cancer, Consumption, Epilepsy, Hydrocephalus, Mental Derangement or Deficiency, all infectious cases, and Cripples not requiring Surgical Treatment, are not eligible. Pauper Children (that is, Children to be paid for, either wholly or in part, by the Guardians, directly or indirectly) are also inadmissible.

3.—Children are admitted only between three and ten years of age, those recommended by Governors and Subscribers taking precedence. Patients are not retained after the age of sixteen.

[A List of Governors and Subscribers, and full particulars of their privileges, will be found on pp. 46 and 4.]

4.—The payment of Four Shillings a week is required from the Parents or Friends of the Patients.*

5.—No case will be put upon the List for Admission till Forms of Medical Certificate and Guarantee (to be obtained of the Secretary) have been duly filled in and signed by a qualified Medical Practitioner and responsible Guarantor respectively, and returned to the Secretary at the Hospital.

6.—The Committee reserve power to refuse the name of any Guarantor without reason assigned, or to require a Guarantor to furnish references for the necessary security to their satisfaction.†

7.—No Guarantee shall be withdrawn without one month's previous notice in writing to the Secretary of the Hospital.

8.—Applicants for admission, unless the Doctor shall certify to the contrary, may be required to be brought to the Hospital for Medical examination before they can be admitted.

9.—Any Child who has been admitted to the Hospital, but who subsequently proves unsuitable from any cause, may be discharged upon three days' notice, sent by post to the last furnished address of the parent or guardian. The expenses of removal must be in all cases defrayed by the parents or friends of the child.

10.—Any alteration in the address of the patient while awaiting admission should be at once notified to the Secretary.

* Certain Free and Assisted Cots have been founded for specially necessitous cases. Applications for vacancies in these must be accompanied by full particulars of the circumstances of the family ; and it must be borne in mind that the Committee only occasionally have these Cots at their disposal.

† The Guarantor should be a house holder (or the wife of a house holder) rated at £40 or more per annum. Unless the parents make regular weekly payments at the Hospital, the Guarantor is requested to arrange to receive their contributions and remit the maintenance charge quarterly.

METHODS OF HELP.

The following means of assisting the objects of this Institution are set down for the information, and in response to the enquiries, of friends who may be willing to give practical support to its work.

COT ENDOWMENT.

The sum of **£1,000** endows a Free Cot in perpetuity, the Donor being entitled to name it and to nominate a child to it whenever a vacancy occurs, no payment being required on behalf of the patient.

The sum of **£750** endows a Half-payment Cot in perpetuity, the Donor being entitled to name it and to nominate a child to it whenever a vacancy occurs; the payment of two shillings a week being required on behalf of the occupant.

The sum of **£300** endows a Free Cot for the period of the Donor's life, and entitles the Donor to name it and to nominate a child to it as vacancies arise, no payment being required on behalf of the patient.

The sum of **£250** endows a Half-Payment Cot for the period of the Donor's life, and entitles the Donor to name it, and to nominate a child to it as vacancies arise, the payment of two shillings a week being required on behalf of the patient so nominated.

These Life Cot Endowments can be converted into Permanent Endowments upon the death of the Donor, either by bequest or otherwise. (See p. 4.)

COT SUBSCRIPTION.

An Annual Subscription of **£40** entitles the Subscriber (during its continuance) to name a Free Cot, and to nominate a child to it whenever a vacancy occurs, no payment being required on behalf of the patient.

An Annual Subscription of **£30** entitles the Subscriber (during its continuance) to name a Half-payment Cot, and to nominate a child to it whenever a vacancy occurs, the payment of two shillings a week being required on behalf of the occupant.

ANNUAL SUBSCRIPTION.

An Annual Subscription of **£10 10s.** and upwards constitutes the Subscriber (during its continuance) a Governor of the Hospital; such Governor being entitled to attend and vote at the Annual Meeting of the Committee and Governors, and to nominate one case annually; such child having precedence of admission over those recommended by other Subscribers.

An Annual Subscription of **£1 1s.** and upwards entitles the Subscriber (during its continuance) to recommend one child annually; such case taking precedence of admission over those not so recommended.

[The use of this Bank Order Form by those Subscribers to whom it may be convenient, saves a certain small amount of trouble, risk, and postage. When filled in, it should be returned to the Secretary, at the Hospital. Acknowledgments of payments received through Bankers are duly sent to the Subscribers.]

ASSISTANCE FOR SPECIAL CASES.

Some friends prefer to concentrate their interest upon one particular Cot or case. A few methods of doing this are suggested:—

- (1) The maintenance payment for a child at the Hospital is £10 8s. per annum, the actual *cost* of its support being about £54 per annum. In the majority of cases the parents are able, and ought, to pay some part of this sum, but help to a greater or less extent is often needed. The Secretary can always furnish details of cases requiring such help.
- (2) Assistance in finding suitable Homes for children requiring care and attention after leaving the Hospital, is frequently wanted by the Committee.
- (3) Contributions towards the purchase of instruments, carriages &c., for discharged patients, and towards their maintenance at Nursing or other Homes, are always welcomed.

DONATIONS.

A Donation of **£52 10s.** in one sum constitutes a Life Governor of Cheyne Hospital. (For privileges see under Annual Subscription.) Contributions of any amount are gratefully accepted and acknowledged; and these unexpected gifts come sometimes with particular gratification at a time of special and depressing need.

GIFTS IN KIND.

Amongst the gifts which are **always specially welcome** are:—

Cast Linen of any kind; also Children's Clothing, Counterpanes, Blankets, &c. Game, Fresh Fruit and Eggs, New (*unbroken*) Toys, Jellies, &c., from table are much appreciated.

The Lady Superintendent will forward patterns of red and blue jackets, flannel vests, night-gowns, and holland pinafores to any friends who may be willing to provide some of these constantly-needed articles of clothing for the children, the large majority of whom are always confined to bed. Miss Elam would also be most grateful for some parcels of old linen or calico of *any* kind, a supply of which is daily required.

ENLISTING FRIENDS.

It remains to mention one method of help which is within the means of almost all, and which may prove as valuable as any.

While there are many who have real sympathy with such work as is here carried out, but who cannot afford direct support, there are many also who are strangers to Cheyne Hospital, but whose purses would be generously opened at a word of hearty *unofficial* pleading from a friend. In enlisting for our labours the interest of some of these, our present friends may be rendering the Institution a service which is none the less valuable because it is vicarious.

MEMORANDA.

The Secretary will be very glad to receive from supporters of the Hospital the names and addresses of any friends to whom they would like a copy of this Report to be sent.

* * *

No Collectors are employed by this Hospital, nor is any commission deducted from contributions received.

* * *

The Hospital does not afford a complete course of training for Nurses nor admit Probationers.

* * *

There is no Out-Patient department.

* * *

The average length of Patients' stay in the Hospital is about twenty-seven and a half months.

* * *

The average cost of each occupied bed was last year about £59, or 22s. 9d. per week.

* * *

The average number of children ultimately discharged, relieved or cured is nearly two-thirds of the number admitted.

* * *

To prevent misunderstanding, the Committee beg that Subscribers recommending Children for admission will explain to the Parents that this Hospital is for *Incurable and Long Cases, such as cannot be retained in a General Hospital.*

* * *

All that is possible will be done for the Patients, but if a rapid cure could be reasonably expected, the case would be eligible for a General Hospital, and therefore would not be received here.

* * *

It should also be borne in mind that the Hospital is usually full; and that there are often a certain number of eligible cases on the Admission List awaiting their turn to be admitted as vacancies arise.

* * *

Those interested in the work of this Hospital are invited to visit it any week-day afternoon between 2 and 4.30 o'clock; and if desirous of becoming regular weekly visitors, to communicate with the Lady Superintendent.

* * *

Visitors are reminded of the danger of coming to see the children in the Hospital after having been in contact with any infectious disease.

* * *

The parents, relations, and friends of the Patients are admitted on Sunday Afternoons between 3 and 5 o'clock, but children will only be admitted on the first Sunday in every month.

* * *

It would much facilitate the collection of contributions and would assist the completion of the list, if Subscribers, for whom such a method might be convenient, would kindly make use of the Banker's Form enclosed; and also if those whose subscriptions become due in June would be so good as to forward them before the 30th AT LATEST.

* * *

In view of the objectionable use made of Subscription Lists in compiling appeal directories, and for begging purposes, the Secretary wishes to say that, when desired, the addresses of contributors can be omitted from the list, or their contributions entered under initials or receipt numbers only.

* * *

Early advice of changes of address, or of any inaccuracies in the entries, is particularly requested.

The Chair was taken by Sir Colin Scott-Moncrieff.

The minutes of the proceedings of the Thirtieth Annual Meeting, on November 8th, 1905, were read and confirmed.

THE REPORT.

The Report and Statements of Receipts and Expenditure for the twelve months ending June 30th, 1906, as submitted by the General Committee, were duly adopted.

RE-ELECTION OF MEMBERS OF THE COMMITTEE.

The following Members of the General Committee of Management, who retired at this meeting in order of seniority of their appointment thereupon, were re-elected as members, viz.: Lady Monkswell, Mrs. Flower, and Leonard F. Harrison, Esq.

In response to the unanimous wish of those present, Sir Colin Scott-Moncrieff kindly consented to act as Chairman of Committee for the ensuing year.

VOTES OF THANKS.

A cordial vote of thanks was accorded to Mr. J. Prime Bartlett, Mr. J. Macready, Surgeons; to Mr. Leonard F. Harrison, Treasurer; and to the other Officers and the Staff of the Hospital for their services in its behalf during the past year.

The Meeting was then adjourned.

THIRTY-FIRST ANNUAL REPORT

OF

The Committee of Management

OF

Cheyne Hospital for Sick and Incurable Children,

For the Year ending June 30th, 1906.

AS was anticipated in the last Report, there has been a considerable increase in the number of cases dealt with during the past year, as is shewn in the following summary:—

Work of the Year.

In Hospital, 1st July, 1905	-	-	-	-	50
Admitted during the year	-	-	-	-	24
					—74
At Cottage Homes, 1st July, 1905	-	-	-	-	1

Remaining at Cottage Homes 30th June, 1906					5
					—15
					—89

There have been six deaths during the period under review, their average stay in the Hospital having been about $3\frac{3}{4}$ years.

The average time accorded to those who have been discharged "cured" or "relieved" has been two years seven months, and this is an indication of the result that can be attained in very many cases, if sufficient time and care is bestowed upon them.

In one instance, the term extended to seven years and two months, and it is hoped that this boy will shortly be sent to Canada, to join relations there.

The Committee therefore feel justified in considering that, thanks to the care bestowed upon the patients by the Medical and Nursing staffs, the result of the past year's work has been most satisfactory. If such cases had been kept in their own homes, in all probability they would have become worse instead of better. They would, in most instances, have received no skilled treatment, and would have caused a great amount of trouble to their parents, who, having been relieved of their care, have been able to attend to the wants of the other members of the family. It should not be forgotten that the benefits arising from the removal from overcrowded homes of children suffering from suppurating sores, is of enormous importance to those remaining there.

Unfortunately an outbreak of Chicken Pox occurred in the lower wards, by which 15 children were affected, but this was stamped out in due course, and the Isolation Wards proved to be of the greatest service.

A considerable expense has been incurred thereby, as it was necessary to cleanse the Wards and Offices thoroughly, and extra Nurses and Servants were required, especially as many of the Hospital Staff at that time were suffering from influenza, etc.

Finance.

The Revenues of the Hospital have shewn a considerable increase, though this has been almost entirely due to Legacies and Donations.

The Committee greatly regret to report the deaths of several of the old supporters of the Hospital, but the losses occasioned thereby to the Subscription list have been partly made good by the addition of New Subscribers, to whom the Committee extend their warmest thanks.

The work that can be carried on at such an Institution must depend largely upon its ASSURED Income, and therefore, every New Annual Subscription is most welcome, and all who are interested in its work will be greatly helping it forward by inducing their friends to subscribe to its Funds.

The Expenditure for the year has somewhat increased as compared with the previous year, due principally to the installation of an X Ray apparatus for the treatment of Tuberculous cases, the extra cost incurred by the outbreak of Chicken Pox, and sundry items which are always fluctuating.

Cots.

Owing to the death of Mrs. E. T. Tandy, the support of the Woodcote House Cot has fallen through, though the sum of £24 19s. 8d., which had been collected by her towards the past year's subscription, has been handed over by her representatives.

The Committee again tender their very sincere thanks to all those who have once more so generously renewed their Subscriptions for the support of Free or Half-pay Cots.

Miss Marcon, Miss E. A. B. Lindsell, Mrs. Pearson and Miss Gibbes have again shewn their great interest in the Hospital by raising funds in support of their respective cots.

The Committee have gratefully to acknowledge, amongst others, the following contributions:—

	£	s.	d.
" Marnie " - - - - -	100	0	0
Miss Cardwell - - - - -	50	0	0
F. M. Buckland, Esq. - - - - -	25	0	0
Col. Raymond Paley - - - - -	25	0	0
The Marchioness of Ripon - - - - -	20	0	0
Mrs. Girdlestone - - - - -	10	0	0

The following Legacies have been received:—

	£	s.	d.
Exors. of the late Mrs. Susanna Rayment	300	0	0
do. Horace Harral, Esq. -	200	0	0
do. Mrs. M. C. Chapman -	500	0	0
do. Wm. Buckwell, Esq. -	250	0	0
do. H. Hargreaves Bolton, Esq.	450	0	0

The Committee offer their most grateful thanks to Gilbert Wolfe Thomas, Esq., and Henry Carmichael Scott, Esq., Exors. of the late Mr. H. Harral; to Henry George Pitt, Esq. and Dr. George T. Brookhouse, Exors. of the late Mr. W. Buckwell, for the respective grants made by them out of funds left in their hands for distribution amongst Charitable Institutions.

A sum of £300 has been received from the Executors of the late Mr. Wickham Flower. The funds derived from this source, as they come in, will be specially dealt with in such manner as the Committee feel would meet the wishes of the Testator.

General.

The Committee deeply regret to report the death of Sir C. Cookson, who joined their body in 1899, and took the warmest interest in the welfare of the Hospital.

They also greatly regret the resignation of Lady Ripon, who, owing to ill health, found it impossible to attend their meetings. They, however, are very glad to say that she continues to take

the greatest interest in the progress of the Hospital, and they most sincerely thank her for the kindly help she has given for so many years.

Mr. J. Macready has joined the Committee during the past year.

CHILDREN'S COT ENDOWMENT FUND.

Sincere congratulations are due to Miss Pearse and her many friends on the completion of this Fund, which was started in 1884. In accordance with her promise, Mrs. J. Liddell has most kindly contributed the last £100 required (in addition to interest on this amount, which she paid annually for the last 13 years) in memory of her son "Archie."

Sincere thanks are given to Mr. Bowden-Smith and the boys of the Bengo School, who have most generously contributed a total of £351 13s. 1d. towards this fund, and it is earnestly to be hoped that the great interest taken by them in the Hospital will be continued.

Thanks are also due to Lady Hollams, the Church of St. Peter's, Cranley Gardens, Miss Bray and the Shere "Mayers," Miss Hamilton Hunter, and the late Miss Hall, all of whom have collected considerable sums towards this endowment.

In addition to the £1000 thus raised, an Annual Subscription of £40 has been paid for many years in support of this Free Cot.

THE WORDSWORTH COTTAGE HOMES FUND

has again been largely drawn upon for the support of the many children who have been boarded out. This continues to be a most necessary fund, and contributions to it will be very acceptable.

As already reported, an X Ray Apparatus for the treatment of certain cases has been installed. It is, as yet, too early to be able to say what the result will be, but it is hoped that it may prove very beneficial in cases which have not hitherto yielded to other treatment, and also that it may materially

hasten a cure in others. Dr. Hugh Walsham kindly agreed to take charge of this department, but finding that he could not spare the necessary time, Dr. G. Harrison Orton has undertaken to carry on the work.

Acknowledgments.

The Staff of St. Luke's Church, Chelsea, have again most kindly given their services on Sundays and on all other occasions when required, during the year, and the Committee tender them their sincerest thanks.

As in former years, a large number of friends have helped to brighten the lives of the little sufferers, by teaching and amusing them, and by providing entertainments, for all of which the Committee are sincerely grateful.

Special thanks are due to Mrs. R. Percy Preston for the gift of a large and valuable musical box.

The list of gifts of clothing, and other articles, indicates that there is no diminution in the interest taken in the Institution by its many kind friends, and the Committee venture to hope for a renewal of their kindness, as these gifts are of the greatest value.

The Lady Superintendent will, as formerly, thankfully acknowledge any articles that may be sent.

The following members of the Committee of Management retire at the Annual Meeting, in order of the seniority of their appointment, and are eligible for re-election thereupon, viz.: Lady Monkswell, Mrs. Flower and Mr. Leonard F. Harrison.

Signed on behalf of the Executive Committee,

COLIN SCOTT-MONCRIEFF,

Chairman.

LEONARD F. HARRISON,

Treasurer.
